The regular meeting of the Malta Boat Club will be called to order at the Boat House, #9 Boat House Row, Fairmount Park, 8:15 P. M., Tuesday, November 14, 1961, at 8:15 P.M.

The 58th running of the Annual Thanksgiving Day Cross Country Run of the Schuylkill Navy will blaze off from in front of the Malta Boat Club precisely at 10:30 A. M., Thanksgiving Day, November 23, 1961.

In contention from our club will be a small but select squad of our junior rowing members, and they will make their presence felt as they speed through the hills and dales of Fairmount Park over the National five and five eights mile course.

These are earnest and skilled performers and will do even better if you are out to root them along the way.

Our House Committee is making modest preparations to hospitably serve you and our own George Meell of Bailey Banks and Biddle fame has promised a fine decorative show of priceless old and present day trophies -- all at your club. See you there!

JOHN J. CARLIN, President of the Fairmount Rowing Association, Vice President of the International Federation of Rowing, member of the Olympic Rowing Committee, holder of many other offices, and one of the truly great of the vast rowing fraternity, was awarded the Malta Boat Club's "Dr. George Morton Illman Award" at a dinner testimonial held at Castle Ringstetten on October 27th. This fine award, a beautiful marble plaque, is presented annually to that non-competing member of the Schuylkill Navy who has done the most for rowing. The "full house" present paid full tribute and concluded with a rousing standing ovation.

MALTA BOAT CLUB'S ANNUAL CLUB REGATTA A SURPRISING OUTSTANDING SUCCESS. With most of the juniors showing the way, and former National champs Finigan and Shepherdson taking the wash, the club concluded its season in fine fashion. Without question it was the social highlight of the season and a great crowd was on hand to lend it support

Celebrating 100 Years — 1960

Minutes of the March 1960 Meeting

Regular meeting of the Malta Boat Club was called to order in the Harry Penn Burke Room of the Malta Boat Club at 8:35 P. M., March 8, 1960, President Fred Symes presiding.

Secretary's report was accepted as read.

In absence of the Treasurer, the Secretary advised that on March 1, 1960, a further reduction of \$80.00 was made in the Club's indebtedness, leaving a total of \$120.78 in the red.

Regarding the Racing Committee the Captain reported progress.

House Committee Mr. Robert A. Donovan advised he is in the days, especially one for the cash box, in order that he can return.

Regarding the Membership the Secretary read letters which had been addressed to Girard College and the spokesman for Episcopal regarding the possibility of rowing from Malta.

Mr. C. White expressed his views on the desirability of having schoolboy and college rowing, since the participants are those who ultimately drift back into club ranks. Adding Mr. James J. Beckett Sr. stated we must be most cautious to repeat the many errors of the past years regarding rowing; that we should pursue the situation with careful

Centennial Committee Mr. James Beckett stated that work is being made on the 100th Anniversary Program.

A proposal made by Dr. Robert C. White, the following was made, seconded and unanimously adopted:

During the "Dr. George Morton Illman Award". A \$1000 check was given by Dr. White to set up an annual award, in suitable form for an oarsman, but for that person along Boat House who has done the most for rowing. The award to be financed by an annual return from the \$1000 to be set up in escrow.

During the same or similar vein Mr. William J. Cochrane advised he had asked Mrs. Illman in order to secure some historical background for an article as was preparing for the Schuylkill Navy

INTRODUCTION TO JAMES J. BARKER

° ° °

Mr. Barker, better known as Jim or Coach along the Row, was The Haverford School's Crew coach for over 40 years, and his crews won over 150 City Championships, 100 Stotesbury Cup titles, and 100 National Championships. Thirty-five of his Haverford oarsmen went on to compete at the international level, and many more have gone on to row nationally at highly recognized programs. Jim coached Irish Olympic sculler and 3- time Diamond Sculls winner Sean Drea, and US Champion and Lightweight World Champion, Bill Belden. As a competitor, Jim won over 24 National Championships.

Jim is a member of the US Rowing Hall of Fame, the Roxborough Hall of Fame, and the Haverford School Athletic Hall of Fame.

Jim's impact along our river is immeasurable. The young people he influenced by sharing his knowledge and passion for rowing won't just have a love for our sport but will carry a superpower of understanding how hard work can bring strength and accomplishment in life.

For this and many other reasons, Jim is well-deserving of the Dr. George Morton Illman Award.

The Dr. George Morton Illman Award Committee and the members of Malta Boat Club recognize and congratulate James J. Barker for his lifelong contributions to rowing with the DR. GEORGE MORTON ILLMAN AWARD.

INTRODUCTION TO LOIS TRENCH-HINES

• • •

Since she began rowing in 1965, Lois Trench-Hines has been dedicated to the sport of rowing.

Lois advocated for greater access to rowing, particularly for women. Lois played an instrumental role in bringing women's rowing to the Dad Vail Regatta, and Lois founded a rowing program for her alma mater, Mount Saint Joseph's Academy - a prep school for young women. In addition, Lois established the Hines Rowing Center and Whitemarsh Boat Club, which afford rowing opportunities to individuals, students, and families outside the lower Schuylkill River.

Lois also stewarded the sport of rowing as a rowing judge-referee, and Lois has been recognized as a lifetime member of the referee commission.

Since 1965, Lois has been a member of Philadelphia Girls' Rowing Club, where she rowed competitively. As a competitor, Lois represented the United States at the 1973 European Rowing Championships in Moscow, rowing the coxed quadruples sculls with Diane Braceland, Pamela Behrens, Karin Constant and Maureen Donohue.

Lois is also a member of the board of the Pennsylvania Barge Club and a member of the Sedgely Club.

There are myriad examples of Lois's contributions to the sport of rowing, all of which lead to the same conclusion: Lois's impact along our river is immeasurable. The Dr. George Morton Illman Award Committee and the members of Malta Boat Club recognize and congratulate Lois Trench-Hines for her lifelong contribution to the sport of rowing by presenting her with the
