This statement shall, unless objection is offered and sustained, be submitted to an investigating committee of three, to be appointed by the Commodore, which shall, at the next stated meeting, present a written report of the information it has obtained, and the sources from which procured, and upon the presentation of such report shall the vote of the Board be taken.

SEC. 3. The delegates of any club rejected by the Board shall not again be proposed for membership within six months thereafter.

SEC. 5. All charges must be in writing, and set forth the offence specifically, and an attested copy furnished the accused, who shall be entitled to be present and heard in defence, in person or by attorney, at the meeting at which such charge is to be investigated, except during the time the final vote, which shall be by ballot, is being taken.

ARTICLE IX.

DEFINITION OF AN AMATEUR.

SECTION 1. ARTICLE X.

DEFINITION OF A JUNIOR.

SECTION 1. *A Junior Sculler*—is one who has never pulled in a senior or won a junior scull race.

A Junior Oarsman—is one who has not pulled an oar in a senior race or been a winning oarsman in a junior race.

Competitions with members of his own club will not affect the standing, as a junior, of any oarsman or sculler.

The qualification of a junior oarsman or sculler shall relate to each time of his coming to the starting post, whether in a trial or a final heat.

RULES OF ORDER.

1. The Commodore shall take the chair at the hour appointed, call the delegates to order, and on the appearance of a quorum, shall cause the order of business to be proceeded with.

2. No delegate shall speak more than twice on the same question, until every delegate wishing to speak on the subject has spoken, when he may speak again by permission of the Board.

3. No delegate shall be interrupted when speaking, except by a call to order by the Commodore, or by a delegate through the Commodore, or by a delegate to explain, or by a call for the previous question.

4. No motion is open for debate, until it has been stated from the chair; and all motions shall be reduced to writing, upon the request of the Commodore, or the Secretary, or two delegates.

5. When a question is under discussion, no motion shall be received but

To adjourn

To lie upon the table.

For the previous question.

To postpone to a day fixed.

To postpone indefinitely.

To commit, or re-commit.

To amend.

Which several motions shall have precedence in the order above enumerated.

6. No motion to reconsider any vote shall be entertained beyond the next stated meeting after that at which such vote was passed, and not then, if the matter proposed to be reconsidered has passed from the Board.

7. No amendment shall be received which destroys the general sense of the original resolution.

8. All delegates making an appeal from a decision of the chair shall reduce the same to writing, which shall then be stated by the presiding officer, and the appeal, with the result of the vote thereon, shall be entered on the minutes. On such appeal no delegate shall speak more than once, unless by leave of the Board.

9. Every delegate must vote, unless excused by the Board; any delegate wishing to be so excused, may make a brief statement of his reasons; and the question must then be taken without debate.

10. No motion to amend the minutes can be received, unless it has reference to the correction of an error in the minutes, as recorded and read.

11. No resolution decided in the negative shall be again allowed during the same meeting.

12. Questions not debatable:

A motion to adjourn (this does not include a motion to adjourn to a certain day).

A motion to lie on the table, when a privileged question.

A motion for the previous question.

A motion to read a paper, or document, pending a question.

All motions to take up particular items of business.

13. On the call of three delegates, a majority of the

delegates present may demand that the previous question be put, and the vote shall then be taken on the amendments pending, and then on the main question.

14. The rules of parliamentary practice comprised in Cushing's Manual shall govern the Board in all cases to which they are applicable, and which are not inconsistent with the Charter, By-Laws, or Standing Rules of the Board.

15. The consent of two-thirds of the delegates present, at any stated meeting, shall be necessary to amend, alter, or add to any of the Rules of Order of the Board.

REGATTA RULES
OF
THE SCHUYLKILL NAVY.

SECTION 1. For racing purposes, boats shall be classified as follows:

First Class.—Shells.

Second Class.—Outrigged open boats.

Third Class.—Inrigged open boats of sufficient tonnage to carry double the number of men required to man them.

Such boats shall be designated when entered, and be subject to the approval of the Regatta Committee.

SEC. 2. All races provided for in these Rules shall be between boats of the same class.

SEC. 3. In all races the coxswain and crew of each contesting boat shall be amateurs, and *bona fide* members of the club which they represent at the time the entries close.

SEC. 4. No member of a club shall be substituted for another who has already rowed in a heat; nor shall any member of a club be allowed to row with more than one crew, in any of the heats, for the same prize.

SEC. 5. Clubs intending to enter for the Regatta must give notice to the Secretary of the Regatta Committee on or before the day for closing the entries, which day shall be determined by the Regatta Committee, and be publicly announced. All entries must be accompanied by a fee of ten dollars for crews, and five dollars for *pairs, doubles, and singles*.

SEC. 6. Objections to any entry may be made at any time previous to the race. Such objection shall be made in writing to the Secretary of the Regatta Committee, and be submitted to the decision of the Naval Board. If such objections, however, be made just before the start, and the boat or crew objected to should win the race, no prize shall be delivered until the objection raised shall have been decided.

SEC. 7. A committee shall be appointed by the Commodore at least one month prior to the date of holding the Regatta, which shall have entire charge of the Regatta, and which shall, at least one week before the first day of the Regatta, notify the several clubs of the order and time of the races.

SEC. 8. Heats and stations shall be drawn for by the Regatta Committee in the presence of such competitors, or their representatives, as may attend, after due notice has been given of the meeting of the committee for that purpose.

SEC. 9. An Umpire, Starter, Timekeepers, and Judge shall be appointed by the Regatta Committee.

SEC. 10. The winners of the Champion Flags and challenge prizes in the Annual Regatta shall hold them until such time prior to the next Annual Regatta as the

Naval Board may require their return, to be again rowed for; and this rule, also, applies to the Champion Belt for single-scutt races.

SEC. 11. In case of the entry of more than five single shells, or more than four boats entered for any of the other races, trial heats shall be rowed at such a time as the Regatta Committee may determine upon.

SEC. 12. The races will be started on time, and any crew not at the starting-point at the stated time may be ruled out by the Umpire.

SEC. 13. All races shall be one mile and one-half straight away.

SEC. 14. The Regatta Committee shall not declare any entry, nor report the state of the entrance list, until the same shall be closed.

SEC. 15. The winner of the Junior shell race shall be entitled to row in the Senior race, without an entry having been made; Provided, that the usual entrance fee be paid.

SEC. 16. No one shall be permitted to row in the Regattas who has competed in any race other than a club race, as a member of any club of the Schuylkill Navy, other than that from which he enters, within sixty days prior to the date of the closing of the entries.

SEC. 17. The Treasurer of the Naval Board shall exact a bond of sufficient amount to insure the safe return of challenge prizes won by any club.

THE CALDWELL PRIZE.

This prize was originally offered to the winner of the Four-oared Shell Race in the first open Amateur Regatta in the United States, held under the auspices of the Schuylkill Navy on June 13 and 14, 1872.

The Regatta Committee were James M. Ferguson, Quaker City Boat Club; Francis M. Murphy, Pennsylvania Barge Club; W. R. Tucker, Undine Barge Club. The prize was won by the Couper Boat Club, of Savannah, Ga., defeating the Vesper Boat Club, of Yonkers. N. Y., in the final heat.

The first heat was rowed by the Couper Boat Club, Savannah, Ga.; Nassau Boat Club, New York; Princeton College Boat Club, and Quaker City Boat Club, passing the finish in the order named. Winning boat time, 9 min. 5 sec.

The second heat was contested by the Vesper Rowing Association, of Yonkers; Neptune Rowing Association, of West New Brighton; and the Gulick Boat Club, of New York; the Vesper Rowing Association winning in 9 min. 3 sec.

In the final heat the Couper Boat Club won the race from the Vesper Rowing Association on a foul. Time, 10 min. 30½ sec.

The Regatta, besides being the first national amateur contest held in the United States, inaugurated in this country "Heat Racing."

The race pulled by the winners of this prize was over the course from opposite Rockland Landing to just below the Falls of Schuylkill Bridge, a distance of one and one-half miles up stream.

In recent years it has been awarded to the club scoring the greatest number of points in the Navy Regatta held in June.

THE "SHARPLESS CUP."

The "Sharpless Cup" was donated to the Schuylkill Navy in 1884 by Mr. Henry W. Sharpless, to be contested for annually by eight-oar shells at the Cup and Peoples Regatta, held on the National Course, Schuylkill River, July 4th.

THE "DOWNING CUP."

The "Downing Cup" was donated to the Schuylkill Navy in 1887 by Mr. Thomas H. Downing, of the Malta Boat Club, to be contested for annually by four-oar shells at the Cup and Peoples' Regatta held on the National Course, Schuylkill River, July 4th.
