BERMUDA RUGBY ASSOCIATION.

The below named members of the above clubs. spent four hours in this place and although they were not at all pleased with the club in general over the organization, they made up for their harshness by consuming a hell of a lot of beer & 1 tin of beans. Having that this has caused no climate factor in the eating & drinking.

Good Luck. Billy
Rackham. Hamilton Bermuda
H. H. H. H.

I would like to add that Bermuda Rugby Club is the worst organized club this side of the Turnover Line -
at least to Portcharad.

I too would like to add a comment. It is my considered opinion and I might add, that of my comrades, that the organizers of the Bermuda Rugby Football Club, but would be a great help in the administration of a public concern.

Thank you very much for allowing us
to sit in your clubhouse for 4 hrs
 whilst my so called friends deserted
 me. Their organisation was negligible
 they could not organise a "piss-up"
 at a brewery.

Yours.

Sandwich Drinker

7th Drunkers to the Olympics

IN THIS YEAR OF OUR LORD
JESUS CHRIST!

In the year of our Lord one thousand nine hundred
sixty eight Mr. Clayton Richard Struse celebrated with
his friends his final days of peaceful bachelor hood.
Alas it was sad indeed to see an old friend, a fellow alumnus
of the University, and a true gentleman take the fateful
step. When we raise the cup once more before the
blazing fire, one of our number will be missing. We
will mourn not only for him but for ourselves who
all too soon will fall under the spell that God denied
man the power to resist. Let us remember the words
of Rudyard Kipling:

A fool there was and he made his prayer
Even as you and I.
To a rag and a bone and a hank of hair
We call her the woman who did not care
But the fool he called her his lady fair
Even as you & I.

God grant our dear friend many happy years until
he falls ashes to ashes, dust to dust, earth to earth
with hopes of a glorious resurrection. May God grant
to the rest of us loving, faithful wives who may
may make our days upon this vale of tears a bit happier,
a bit easier. God be thanked for such women as

the bride, Celeste. Alas there is but one Celeste. May
the rest of us poor, lonely souls be so fortunate.

God bless us all.

Amen.

For all of us and Ivan.
